Miller Starr Regalia, a preeminent California real estate firm for more than 45 years, announced today that it has received Tier 1 ranking in the 2013 edition of U.S. News – Best Lawyers “Best Law Firms” in the areas of real estate law, real estate litigation, land use & zoning, eminent domain & condemnation litigation and commercial litigation.

The U.S. News – Best Lawyers “Best Law Firms” rankings are based on a rigorous evaluation process that includes the collection of client and lawyer evaluations, peer review from leading attorneys in their field, and review of additional information provided by law firms. Clients are asked to provide feedback on firm practice groups, addressing expertise, responsiveness, understanding of a business and its needs, cost-effectiveness, civility and whether they would refer another client to the firm. Lawyers voted on a number of issues including whether they would refer a matter to the firm and whether they consider the firm a worthy competitor.

“We are thrilled to get this U.S. News – Best Lawyers ‘Best Law Firms’ Tier 1 Ranking,” said Anthony M. Leones, Miller Starr Regalia’s managing shareholder. “The fact that this distinction is, in large part, based upon input from our clients is testament to the knowledge, integrity, commitment and skill of our attorneys and staff.”

Miller Starr Regalia
Miller Starr Regalia has had a well-established reputation as a leading real estate law firm for more than forty-five years. For nearly all that time, the firm has written Miller & Starr, California Real Estate 3d, the 12-volume encyclopedia on California real estate. We call it “the Book.” The Book is the most widely used and judicially recognized real estate treatise in California and is cited by practicing attorneys and courts throughout the state. Our firm has expertise in all real property matters, including full-service litigation and dispute resolution services, transactions, acquisitions, dispositions, leasing, construction, management, title insurance, environmental law, and redevelopment and land use.
