MILLER STARR REGALIA

Construction Claims & Litigation

We have a full service construction litigation practice with trial experience throughout California. Our attorneys are the authors of the chapters on construction law and contracting, mechanic's liens and defective construction in the *Miller & Starr, California Real Estate 4th* treatise.

We have the depth of experience to fully staff a construction case of any size and complexity. We handle construction disputes for private and public owners, developers, and general contractors.

Our construction litigation experience includes contract disputes, product liability claims, lien claims, delay claims, architectural and engineering negligence, construction defects and coverage disputes, among other issues.
