PRACTICE AREAS

Commercial Lease Disputes

Construction Claims & Litigation

Eminent Domain & Inverse
Condemnation

Land Disputes, Easements & Lien
Priority Claims

James represents and advises his clients on real estate and complex commercial litigation matters with an emphasis on disputes involving commercial leases, eminent domain/inverse condemnation, complex construction, easement rights, non-disclosure/broker liability and partnership/corporate governance.

James has represented clients ranging from individuals to Fortune 500 companies to successful resolutions in all phases of litigation in federal and state courts from initial pleadings through mediation, arbitration, trial and appeals. Although James has extensive trial and arbitration experience, he prides himself in crafting cost-efficient, practical and business-oriented solutions to his clients' problems.

EDUCATION

J.D., University of California, Davis School of Law (2016)

B.A., University of Oregon, Psychology and Business Administration (minor) (2012)

REPRESENTATIVE MATTERS

Part of trial team that won \$2.1 million award after trial of competing breach of construction contract claims involving a high rise building in downtown Los Angeles, including 100% of the legal fees that were incurred in prevailing on the successful claims.

Part of appellate team that obtained complete victory in Second District Court of Appeals for a commercial tenant in a lease dispute with its landlord.

Part of trial team that obtained a successful verdict for landlord in Orange County Superior Court in dispute involving enforcing CC&Rs.

Part of trial team that won \$1.2 million award in an arbitration involving breach of contract claims related to a failed merger of two companies.

Represented plaintiffs in a successful challenge to the at-large election system in the Compton Unified School District that resulted in the adoption of a district-based election system, a requirement that those elections occur concurrent with statewide primary elections and the advancement of the date of the first such election from November 2022 to March 2020.
